Office Hours

8:00 a.m. - 5:00 p.m.
Monday through Friday

Purpose: The California Arts Council (CAC), a state agency, was established in January 1976 to encourage artistic awareness, participation, and expression; to help independent local groups develop their own arts programs; to promote employment of artists and those skilled in crafts in the public and private sector; and to enlist the aid of all state agencies in the task of ensuring the fullest expression of our artistic potential.

The Council: The appointed Council of the CAC consists of 11 members who serve staggered terms. The Governor appoints nine members, the assembly Speaker appoints one member, and the Senate President pro Tempore appoints one member. Council members serve without salary, elect their own officers, and meet throughout the state to encourage public attendance. This body sets policy and has final approval of CAC grants.

Mission: To advance California through the arts and creativity.

Funding: The CAC is a state agency, funded from the state's annual budget process and proceeds from the California Arts License Plate and the Keep Arts in Schools tax return voluntary contribution fund, supplemented by funds from the National Endowment for the Arts. Its grants are usually matched by foundations, individuals, earned income, government agencies, or other organizations.

Information Access: Due to the Public Records and Open Meeting Acts, applications and their attachments are not confidential and may be requested by the media and/or public. Observers may attend but may not participate in, or in any way interfere with, Council meetings. Meeting dates and locations are posted at www.arts.ca.gov. Each meeting provides a designated time for public comment, although comments may be time-limited.

Grants Panels: Applications are evaluated by panels of experts, recognized in their respective fields, who rank applications according to program criteria. The CAC staff provides information but not recommendations to the panel. The Council reviews panel recommendations before making final funding decisions.

Appeal Process: Appeals to CAC funding decisions must be submitted on an official Appeal Form, available from the CAC, and postmarked within 45 days of the decision. Appeals are granted only on the following grounds:

1. Panel's assessment was based on a misstatement of factual information as contained in the application such that it negatively influenced the panel's recommendation; and/or
2. Incorrect processing of the required application material such that it negatively influenced the panel's assessment of the applicant's request for funding.

Note: Dissatisfaction with award denial or with award amount is not grounds for appeal.

Requirements: The CAC is mandated both by federal and state regulations to fund only organizations that have proof of nonprofit status under sec. 501(c)(3) of the Internal Revenue Code (Fiscal Receivers are eligible in some programs), or under sec. 23701d of the California Revenue and Taxations Code, or entities that are a unit of government; and that comply with the Civil Rights Acts of 1964, as amended; sec. 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975; the Drug-Free Workplace Act of 1988; California Government Code secs. 11135-11139.5 (barring discrimination); the Fair Labor Standards Act, as defined by the Secretary of Labor in part 505 of title 29 of the Code of Federal Regulation; the Americans With Disabilities Act of 1990 ("ADA"); the Fair Employment and Housing Act; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

Ownership, Copyrights, Royalties, Credit: The CAC does not claim ownership, copyrights, royalties, or other claim to artwork produced as a result of a CAC grant. However, the CAC reserves the right to reproduce and use such material for official, noncommercial purpose, including but not limited to use on the CAC website, social media and print materials. In addition, the CAC requires documentation of grants activity, and appropriate credit for CAC partial support.

ARTISTS IN SCHOOLS

2016-2017 Engagement

(On schools sites during the school day)

GRANT GUIDELINES

DEADLINE: April 5, 2017 5:00 PM

Apply at cac.culturegrants.org

Background

The arts play a critical role in shaping students' overall well-being and academic achievement. Promoting and supporting arts education is a cornerstone of the California Arts Council's (CAC) mission. Since 1976, the CAC has supported in-school and after-school arts programs that engage local arts organizations, teaching artists and school communities through the Artists in Schools (AIS) grant program.

In FY16-17, there are four Artists in Schools grant opportunities:

- AIS Engagement supports teaching artist residencies taking place during the school day at school sites.
- AIS Professional Development supports co-learning opportunities between teaching artists and classroom teachers or school staff.
- AIS Extension supports teaching artist residencies after school and during the summer months, on both school sites and in community settings.
- AIS Exposure supports field trips and assemblies for underserved students.

These guidelines are for AIS **Engagement** projects.

Purpose

The Artists in Schools (AIS) Engagement program supports projects that integrate community arts resources—local artists and non-profit arts organizations—into comprehensive, standards-based arts-learning for PreK-12 students during the school day. It is the intent to augment and enhance the work of classroom teachers and school-based arts programs by bringing arts resources from within the local community into the school culture, not to supplant certificated teachers. **Applicants' projects must take place during regular school hours at the school site, and should address the unique circumstances of the school environment** (*for after-school and off-site program support, please see the Artists in Schools Extension Guidelines*). All projects should be designed to cultivate learning in, through and/or about the arts. AIS projects focus on hands-on participant learning that takes place over a period of time with an identified group of students.

Applicants should address one or more of the following goals:

- Develop the artistic abilities and creativity of students through sequential, hands-on arts learning.
- Promote life skills such as problem-solving, collaboration and positive self-expression through the arts.
- Develop long-term, in-depth partnerships between schools, local arts organizations and local teaching artists.
- Create mutually beneficial relationships between classroom teachers and teaching artists, and contribute to overall arts-rich school environments.
- Promote culturally and linguistically responsive learning through the arts, using cultural knowledge to support the cultural assets of the local community and to support students' positive self-identification and respect for diverse cultures.

Eligible Funding and Grant Request Amount

Requests for support may be made for up to \$18,000. Project budget (request plus match) cannot exceed 50% of the applicant organization's total income from its most recently completed fiscal year.

Matching

All grant recipients must provide a dollar-for-dollar (1:1) match. The match may be from corporate or private contributions, local or federal government, or earned income. State funds cannot be used as a match. A combination of cash and in-kind contributions may be used to match the AIS Engagement request, **with a maximum of 25% in-kind contributions permitted**, with the approval of the Arts Education Program Specialist (see Staff Assistance).

Eligible In-Kind Match:

- Value of non-cash donations provided by third parties. These can be in the form of space, consultancy, training, services, supplies, and other expendable property.
- In-kind goods and services may not be provided by either the applicant organization or any individual or organization that is being compensated as part of the grant contract. In-kind donations by state entities are ineligible.

Applicant Eligibility

- The applicant must be one of the following:
 - California-based nonprofit arts organization with a history of arts programming for a minimum of three years prior to the time of application.
 - Local arts agency with a history of arts programming for a minimum of three years prior to the time of application.
 - California-based nonprofit organization (non-arts or multi-genre) with significant arts programming as a part of the activities and budget of the organization. Non-arts nonprofit organizations must have a history of significant arts programming for a minimum of three years prior to the time of application.
- The partnering school(s) must be in California.
- Artists working with the applicant arts organization must show professional experience of **at least three years** in the artistic discipline to be taught or equivalent teaching artist

experience; must be residents of California; and may not be participating in this project as student in a degree program.

- The nonprofit arts organization must demonstrate proof of nonprofit status under section 501(c)(3) of the Internal Revenue Code, or section 23701d of the California Revenue and Taxation Code, or must be a unit of government.
- An applicant without nonprofit status may use a California-based fiscal sponsor that has nonprofit status, 501(c)(3), and which will provide the fiscal and administrative services needed to complete the grant. If a grant is awarded, the fiscal sponsor becomes the legal contractor. The fiscal sponsor must also demonstrate consistent arts programming in California for a minimum of three years prior to the time of application, and have compatible organizational goals to the applicant organization.
- Applicants to this program are not restricted from applying for, and receiving funding from, other CAC grant programs (including AIS Exposure, AIS Extension, and AIS Professional Development) as long as those funds are used for different purposes.
- An organization can submit only one AIS Engagement application per funding cycle.
- All Applicants must complete a Data Arts Cultural Data Profile and CAC DataArts Funder Report at the time of application.

Project Requirements

- Project must enable students to understand and participate in specific art forms and to develop their creativity, skills and knowledge. Applicant should present well-developed project goals, learning objectives and assessment tools.
- Project must be locally designed and developed in partnership between an arts organization, participating artists and the school(s). The project should demonstrate significant planning and should reflect a collaborative relationship between the arts organization and the school, and between the participating teaching artists and classroom teachers.
- Project must include one or more artist residencies on a school site(s).
- Project should be of sufficient frequency and duration to foster sequential learning. Project must include sustained contact between the Teaching Artist(s) and the students over a period of time determined by the needs of the students and the parameters of the project. This could mean intensive daily interaction over the course of 1-2 weeks, weekly interaction over months, or other regular interaction over a period of time. A larger group of students **may also** participate in less-structured, non-sequential or more limited activities that expose them to the art forms as a part of the project.
- Instruction must be free of charge to students.
- Project activities must explicitly align to National Core Arts, California Visual and Performing Arts, and/or Common Core Standards.
- Project must take place on a school site(s) during regular school hours and must consistently reach a core group of students over time.
- Professional fees for artists must be included: artist fees should be commensurate with experience and comparable to fees for Teaching Artists statewide (\$60/hour of direct instruction is the current average across California). **Artist fees must equal at least 75% of the Engagement Grant request plus the match.**

- Matching funds requirement for this program must be met.
- Project must include a Project Coordinator from the arts organization and a Coordinator from each participating school, with shared responsibility for project planning and implementation.

Duties and Responsibilities of Coordinators should include, but are not limited to:

Arts Organization Coordinator should:

- Develop a specific plan for space, time, equipment and participation with artists and school staff
- Act as facilitator and liaison between the arts organization, school(s), artists, and the CAC
- Comply with CAC reporting requirements

- Assure that the school provides supplies, materials and equipment necessary for the project
- Reserve an appropriate space for the arts program activity
- Ensure that the students are able to participate

Joint Responsibilities should include:

Application Process

CAC Culture Grants is our online portal for the grant application and review process. CAC does not accept applications through any other means for this program. To apply, new applicants must sign up for a user account to access the CAC Culture Grants system, while returning applicants will log in with an existing user account. Detailed instructions and support can be found at www.arts.ca.gov and via the portal at <https://cac.culturegrants.org>.

Review Criteria

A peer review panel will evaluate applications based on the following criteria:

Project Design and Implementation: Project design indicates realistic timeline, appropriate budget, clear artistic and community-based objectives and achievable outcomes. Design articulates methods to evaluate and measure success, collect and analyze data, and document activities. Design demonstrates depth of participant involvement and clear plans for community outreach and marketing.

Artistic Merit: Artists involved in the project demonstrate skills, expertise, and experiences that are central to the outcomes of the project design. California artists are engaged at every stage of project design and execution.

Community Impact: Project demonstrates reach and/or depth of engagement in an identified community. Project responds to a need or set of priorities identified with the community to be served. Project execution and evaluation involve significant community participation in accordance with the identified project outcomes.

Management and Leadership: Ability of applicant organization to implement proposed project is clearly demonstrated by qualifications of project's team, viability of project budget, and overall fiscal and managerial health of applicant and partnering organizations.

Peer Panel Evaluation and Ranking Process

The panel's review of applications and work samples is a multi-step process and involves assigning numerical ranks to an application. A 6-point ranking system will be implemented. Panelists' ranks are averaged to obtain the final score.

For each of the rankings listed below, the description refers to the content of the application, where the application is defined as the entire grant proposal that articulates the content of programs and services to be rendered by the applicant.

6	Exemplary	Meets all of the review criteria to the highest degree possible
5	Strong	Meets all of the review criteria in a significant manner
4	Good	Meets the majority of the review criteria; however, areas of the application need improvement, development or clarification
3	Marginal	Does not meet the majority of the review criteria in a significant

		manner
2	Weak	Significant inadequacies in addressing review criteria
1	Ineligible	Inappropriate for CAC support: incomplete applications, applications with significant ineligible expenses, and proposals that do not meet program requirements

Depending on the amount of funds available and the number of applicants, a cutoff point will be made based on the ranking. Funding recommendations will be decided through this process.

California Arts Council Decision-making

The final authority for grant decisions is the appointed Council. Subsequent to receiving and reviewing the panel’s evaluation, the Council will make final funding decisions at a public meeting.

If approved by the Council for support, grant amounts may differ from the request amount due to the level of funding available to the program, demand for that funding, and/or the rank a proposal receives from the review panel.

Should a grant award be made for an amount less than the request amount, the applicant will be required to confirm that the goals of the original request can be met or modified with a lesser grant award.
