Office Hours

Monday through Friday
Purpose: The California Arts Council (CAC), a state agency, was established in January 1976 to encourage artistic awareness, participation, and expression; to help independent local groups develop their own arts programs; to promote employment of artists and those skilled in crafts in the public and private sector; and to enlist the aid of all state agencies in the task of ensuring the fullest expression of our artistic potential.

The Council: The appointed Council of the CAC consists of 11 members who serve staggered terms. The Governor appoints nine members, the assembly Speaker appoints one member, and the Senate President pro Tempore appoints one member. Council members serve without salary, elect their own officers, and meet throughout the state to encourage public attendance. This body sets policy and has final approval of CAC grants.

Mission: Advancing California through the arts and creativity.

Vision: The CAC envisions a California where the lives of all Californians are enriched by access to and participation in a diverse spectrum of arts and cultural experiences and the arts ecosystem reflects contributions from all of California’s diverse populations.

Funding: The CAC is a state agency, funded from the state’s annual budget process and proceeds from the California Arts License Plate and the Keep Arts in Schools tax return voluntary contribution fund, supplemented by funds from the National Endowment for the Arts. Its grants are usually matched by foundations, individuals, earned income, government agencies, or other organizations.

Information Access: Due to the Public Records and Open Meeting Acts, applications and their attachments are not confidential and may be requested by the media and/or public. Meeting dates and locations are posted at [www.arts.ca.gov](http://www.arts.ca.gov). Observers may attend but may not participate in, or in any way interfere with, Council meetings. Each meeting provides a designated time for public comment, although comments may be time-limited.

Grant Process: Applications are evaluated by panels of experts, recognized in their respective fields, who rank applications according to program criteria. The CAC staff provides information but not recommendations to the panel. The Council reviews panel recommendations before making final funding decisions. CAC staff is responsible for grant contract administration after Council approval. In dire or unexpected circumstances, CAC reserves the right to make exceptions to any policy or procedure on a case-by-case basis.

Requirements: The CAC is mandated both by federal and state regulations to fund only organizations that have proof of nonprofit status under sec. 501(c)(3) of the Internal Revenue Code (Fiscal Receivers are eligible in some programs), or under sec. 23701d of the California Revenue and Taxations Code, or entities that are a unit of government; and that comply with the Civil Rights Acts of 1964, as amended; sec. 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975; the Drug-Free Workplace Act of 1988; California Government Code secs. 11135-11139.5 (barring discrimination); the Fair Labor Standards Act, as defined by the Secretary of Labor in part 505 of title 29 of the Code of Federal Regulation; the Americans With Disabilities Act of 1990 (“ADA”); the Fair Employment and Housing Act; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

Ownership, Copyrights, Royalties, Credit: The CAC does not claim ownership, copyrights, royalties, or other claim to artwork produced as a result of a CAC grant. However, the CAC reserves the right to reproduce and use such material for official, noncommercial purpose, including but not limited to use on the CAC website, social media and print materials. In addition, the CAC requires documentation of grants activity, and appropriate credit for CAC partial support.
Background and Purpose
The Youth Arts Action (YAA) program is rooted in the California Arts Council’s (CAC) belief that arts learning is an essential tool for healthy human development, and that it should be available to all California youth. The CAC envisions that all of California’s youth are provided with meaningful, culturally responsive arts-learning experiences so that they can reach their full potential.

Building upon the Arts Education – Extension Program that piloted in Fiscal Year 16-17 and Fiscal Year 17-18, this new program supports projects for youth from infancy through age 24 that operate outside of school time, in artistic venues and community settings as well as on school sites. This program aims to support and encourage relevant, dynamic, and innovative community building and learning through youth-focused arts and culture projects.

Eligibility
• The applicant must be a California-based nonprofit arts organization or arts-based unit of government.
• All applicant organizations must be consistently engaged in arts programs and/or services for two years prior to the application deadline.
• All applicant organizations must have a principal place of business in California.
• The applicant must demonstrate proof of nonprofit status under section 501(c)(3) of the Internal Revenue Code, or section 23701d of the California Revenue and Taxation Code, or must be a unit of government, including California Native or Indigenous tribal governments.
  o Fiscal Sponsors: An applicant without nonprofit status may use a California-based Fiscal Sponsor with a federal 501(c)(3) designation to conduct work on a not-for-profit project. The Fiscal Sponsor will provide the fiscal and administrative services needed to complete the grant. If a grant is awarded, the Fiscal Sponsor becomes the legal contractor. The Fiscal Sponsor must also demonstrate consistent arts services or programming in California for a minimum of two years prior to the application deadline. See additional information on the use of CAC Fiscal Sponsors.
  o Applicants using Fiscal Sponsors must submit all required materials for the Fiscal Sponsor at the time of application.
• All applicants must submit all required application materials and information at the time of submission. Incomplete applications are ineligible and will not be
reviewed by the panel. Please see Application Instructions for all required materials and information.

- For all programs that require a CAC DataArts Funder Report, two years of data must be included in DataArts profile and report.

**Program Goals**

Projects should address one or more of the following Youth Arts Action program goals:

- Foster creative abilities of youth through culturally and linguistically responsive arts learning.
- Support arts programs that seek to activate youth voices, narratives, and perspectives.
- Utilize cultural assets of the local community to support positive self-identification and respect for diverse cultures.
- Empower youth through the preservation, revitalization, and/or reclamation of cultural practices.
- Cultivate the development of transferable life skills such as critical thinking, problem solving, leadership, and collaboration.

Examples of applicable projects include but are not limited to: arts projects in early learning, daycare or foster care environments, creative youth development and leadership, arts projects that support workforce development and entrepreneurship, projects that teach traditional cultural practices to youth.

**Project Requirements**

- The applicant must develop and complete a project addressing the program's purpose by May 31, 2020. All activities to be funded by the CAC must occur within the Grant Activity Period (see Timeline).
- The project design must provide for safe, healthy, and appropriate learning environments for youth.
- The project design must include hands-on learning in specific art forms to develop creativity, skills, and knowledge in at least one artistic and/or cultural discipline, including but not limited to:
  - **Dance** - contemporary, hip-hop, ballet, jazz, tap, house, movement traditions and forms of all cultures
  - **Literary Arts** - poetry, zine-making, spoken word
  - **Music** - traditional/culturally specific, folk, jazz, hip-hop, punk, classical, and other genres
  - **Theatre** - devised, original works, playwriting, productions
  - **Visual Arts** - murals, exhibitions, 3D, photography, sculpture, clay works, curator training
  - **Media Arts** - animation, video, digital photography, film, podcasts, new media
- If projects are tuition-based, the applicant must include a robust equity and accessibility plan that includes scholarships and reduced fees.
- The project should be of sufficient frequency and duration to foster learning. The project must include sustained activities over a period of time determined by the
needs of the artists, youth and the parameters of the project. This could mean
intensive daily interaction over the course of 1-2 weeks, weekly interaction over
months, or other regular interaction over a period of time.

- Fees for artists and arts workers to be supported by this grant must be
  appropriate to experience and comparable to fees for other local skilled workers.
- Artist(s) to be compensated and supported by this grant must show relevant
  experience of at least two years, be based in California, and may not be
  engaged in the project as full-time students in a degree program.
- **Accessibility:** The CAC is committed to making the arts accessible and inclusive
  for all Californians. All CAC-funded programs, services, information, and
  buildings and facilities where funded activities take place must be accessible.
  Please see Page 3: Requirements for more information.

**Eligible Request Amounts**

- Applicant organizations can request up to $18,000.
- The total request for the Youth Arts Action program cannot exceed 50% of an
  organization’s total operating revenue from the last completed fiscal year, as it
  appears in the DataArts Funder Report.

**Funding Restrictions**

- The total of all application requests in FY18-19 cannot exceed 50% of an
  organization’s total operating revenue from the last completed fiscal year. If
  applying for one or more CAC grants in a grant cycle, the total amount requested
  cannot exceed 50% of what is reflected in the organization’s Total Operating
  Revenue line in the DataArts Funder Report.
- Applicants to this program are not restricted from applying for and receiving
  additional CAC program grants as long as those funds are used for different
  projects and purposes. To meet this criterion, applicants must demonstrate that
  projects:
  - Serve primarily different groups of people
  - Take place in different spaces, times, and/or contexts
  - Achieve fundamentally distinct programmatic outcomes
- Neither the award nor the match may be used to supplant state-funded
  expenses.

**Matching Funds**

All grant recipients must provide a dollar-for-dollar (1:1) match for the YAA grant. A cash
match may be from corporate or private contributions, local or federal government, or
earned income. State funds cannot be used as a match. If applying for multiple CAC
grants in a single fiscal year, distinct funds must be identified to meet the matching
requirement for each grant application. The applicant must indicate whether matching
funds are projected, pending or committed.

**In-Kind Match:**

Use of in-kind contributions as a portion of the match is intended to support
organizations that may not have the financial capability to provide a 1:1 cash match, but
demonstrate the capacity to carry out the activities in the grant application with other sources of support. In-kind contributions are non-cash donations provided by third parties for which monetary value can be determined. In-kind contributions may be used for up to 50% of the required (1:1) match.

- In-kind contributions may be in the form of space; pro bono consultancy, training or services; supplies; and other expendable property that are given free of charge to the organizations.
- **In-kind contributions may only be provided by third parties.**
- In-kind contributions by state entities are ineligible.

In-kind contributions must be reflected as an expense in the grant application budget. Applicant organizations must accurately document and report in-kind contributions in their DataArts Funder Report. See additional information on CAC In-kind Contributions.

If you have any questions about in-kind contribution documentation or eligibility, please contact the Arts Program Specialist. See staff assistance below.

**Review Criteria**
The peer review panel will evaluate applications based on the following criteria:

- **Project Design and Implementation:** Project design indicates realistic timeline, appropriate budget, clear artistic and community-based objectives and achievable outcomes. Design articulates methods to evaluate and measure success, collect and analyze data, and document activities. Design demonstrates depth of participant involvement and clear plans for community outreach and marketing.

- **Artistic Merit:** Artists involved in the project demonstrate skills, expertise, and experiences that are central to the outcomes of the project design. California artists are engaged at every stage of project design and execution.

- **Community Impact:** Project demonstrates reach and/or depth of engagement in an identified community. Project execution and evaluation involve significant community participation in accordance with the identified project outcomes.

- **Management and Leadership:** Ability of applicant organization to implement proposed project is clearly demonstrated by qualifications of project’s team, viability of project budget, and overall fiscal and managerial health of applicant and partnering organizations.

**Peer Panel Evaluation and Ranking Process**
The panel's review of applications and work samples is a multi-step process and involves assigning numerical ranks (1-6) to an application. Panelists’ ranks are averaged to obtain the final score. Final ranking and funding allocations may be made according to the first decimal place within each rank as necessary.

For each of the rankings listed below, the description refers to the complete content of the application as submitted by the applicant.

California Arts Council Decision-making
The final authority for grant decisions is the appointed Council. After receiving and reviewing the peer panel’s ranking recommendations, the Council will consider the panel’s recommendations and make final funding decisions at a public meeting.

If approved by the Council for support, grant amounts may differ from the request amount due to the level of funding available to the program, demand for that funding, and/or the rank a proposal receives from the peer review panel.

Depending on the amount of funds available and the number of applicants, the Council will decide which ranks receive funding, and for what percentage of the applicant’s request amount.

Should a grant award be made for an amount less than the request amount, the applicant will be required to agree to complete what is described in the application with a lesser grant award than the original request in the grant contract. CAC staff is responsible for grant contract administration after Council approval.

2. Create and complete two CDPs, one for each fiscal year. Enter data using your board-approved financial audit/review or year-end financial statements.
   a. If your organization is not audited/reviewed, enter data using your board-approved, year-end financial statements.
   b. If your organization is an arts program/department within a larger institution, enter data based on internal financial statements of the arts program/department and indicate that you have a parent organization when selecting your organization type on the Customize Your Survey screen.
   c. DO NOT enter project budgets, budgets for future years, or incomplete or not-yet-approved audits/reviews/financial statements.
3. Some errors may be triggered as you enter financial data, and you will be able to review and resolve them as you work on your survey. If you need assistance, call the SMU DataArts Support Center at 1-877-707-3282.

4. After you have finished entering and completing your two fiscal year surveys, you will then use your CDP data to generate a Funder Report to be included with your application materials.

Find the grant program which you will apply to, select the “View” dropdown, then “Submit Data” to share your data with California Arts Council. A PDF Funder Report will then generate. **Once you have run your report from SMU DataArts, download, save, then upload your Funder Report below.** You can also find a video of step-by-step instructions [here](#).
