

CAC FINAL REPORT NARRATIVE QUESTIONS

FY16-17 PROFESSIONAL DEVELOPMENT AND CONSULTING

The California Arts Council (CAC) requires the submission of Final Reports for all grants. Final Reports are due 30 days after the completion of the Grant Period. While the CAC is transitioning to a new grants management system, we are using a brief final report form.

The Narrative Questions provided below may be used as a reference when preparing to submit your FY16-17 Final Report via the online form. For additional questions regarding the completion of your Final Report, contact the designated CAC Program Manager for your program. Visit our website at www.arts.ca.gov for additional grant program information.
